MARCH 7&8
2019

CURAÇAO 2019

BOARD MEETING
AND WORKSHOP

Esteemed colleagues,

On behalf of the Social Economic Council of Curaçao (SER), that had the privilege of hosting this year's Board Meeting and Workshop on Digital Revolution of AICESIS, on March 7 and 8, 2019, in the Renaissance Curaçao Hotel & Casino, we would like to express our sincere appreciation for your active participation and input.

In particular, we would like to thank you all for bringing your expertise and experience to the table by engaging in fruitful, constructive and open exchanges throughout those two days.

Due to your continuous engagement and the high quality of the debates a lot of ground was covered, not only within the context of the Board Meeting, but also regarding the main theme of the Workshop on Digital Revolution.

To conclude, we would like to express our genuine gratitude to all of you for your time and valuable insights. Together we are shaping an important dialogue, putting tools in place, and offer options for policy making, which countries around the world can use to further advance in this digital era in a collaborative and socially balanced way.

We look forward to meeting you all again in September, 2019, in Bucharest, Rumania, for the next General Assembly of AICESIS, to make progress on these and other important issues.

On behalf of the acting President of the SER of Curaçao,
The Secretary General/Director,

Raul J. Henriquez
