

Brendan Tarnay

Brendan Tarnay is a project coordinator with IOM's Regional Office in Costa Rica in charge of coordinating Caribbean regional cooperation activities in the region by IOM, particularly for the Caribbean Migration Consultations (CMC). For the past two years Brendan has helped the CMC to be recognized as the primary platform for regional discussions on migration and produced the new Caribbean Migration Portal, caribbeanmigration.org. Brendan is a born and bred Californian and truly enjoys the sun and heat of the Caribbean.
